

## GED Score Assessment for English & Math Course Placement Form

De Anza can use your **General Educational Development (GED) Test Scores** to determine your English (EWRT) course and Math course eligibility. Complete this e-form and **email** it to [daassessment@deanza.edu](mailto:daassessment@deanza.edu) We will email you within 3-5 business days with your course eligibility.

### General Processing Guidelines

- You **can self-report** your GED score! *Need help locating your scores? Visit the GED website:*  
[https://ged.com/life\\_after\\_ged/](https://ged.com/life_after_ged/)
- De Anza uses the GED’s Fifth Test Series (2014 – Present). If your GED scores were earned before 2014, we may still be able to determine your course eligibility, but you may consider completing an alternative assessment (described below).
- If your GED score does **not** qualify you for EWRT and Math courses, you’ll want to complete another type of assessment, an online survey—it’s **not** a test—to determine your course eligibility:

Here are the accepted GED scores and corresponding EWRT course eligibility.

GED SCORE RANGE	EWRT Course Eligibility	Math Course Eligibility
Score of 164 or less	Complete Language Arts assessment	Complete the Math assessment
Score of 165-174	LART 250 + EWRT1A	MATH 10, MATH 31
Score of 175-200	EWRT 1A or LART250 + EWRT1A
