1. Who was involved?

I'm not sure who else but I only remember ballot number 7, 10, 31, 69, 50. But there might be more I don't specifically remember because they reached out to me showing off the poster they printed.

2. What parts of the DASG Elections Code, DASG Bylaws, DASG Code of Conduct, FHDA Standards of Student Conduct (AP 5510), Student Election Posting Guidelines, or other Governing Documents have been violated?

Blocking students from entering the bus and forcing them to vote.

3. List all the facts that substantiate your claim. Attach any documents you wish to have considered.

I was about to go home from class near bus stop 23 when someone approached me and asked if I had a minute, so I let her speak. She began asking if I had voted at that time, and I told her I had. Then she asked if I had voted for any of the people on the poster, and I replied no. After she left, another girl approached a guy standing near me and asked him the same question. At that moment, he informed her that the bus was arriving in 0 minutes, but she insisted it would only take a minute. So, he allowed her to continue, and she started asking him the same questions as the other girl; however, this guy had not voted. She then asked him to scan the QR code, which directed him to the DASG election page, and requested that he log in with his student ID. She pointed out to him whom he should vote for and waited until he submitted his vote before she left him.
