## College Council Goals 2025-2026

### Initial Dialogue

- Lead the strategic planning process for the college for 2025-2026
- Facilitate communication and collaboration among all constituency groups
- Developing criteria for guiding principles
- Take the lead on training members, particularly new members, of governance groups
- Provide support and accountability for the SEM Academy, VAR, IEPI-PRT
- Providing feedback and soliciting input for decisions...
- Ensuring that resource allocation is aligned with college priorities and strategic goals
- Review data, assess progress toward institutional goals and direct/guide(?) adjustments to college practices
